

radio
SWR

The logo consists of the word "radio" in a bold, lowercase, sans-serif font at the top. Below it, the letters "SWR" are rendered in a large, stylized, outlined font. The "S" is a simple outline, while the "W" and "R" have a more complex, stepped appearance. A grid of small dots is positioned behind the "SWR" text, and a jagged, stepped outline follows the general shape of the letters, creating a layered, 3D effect.
